Dear Treasurer,

A handwritten signature in blue ink, appearing to be 'R' followed by a flourish.

As we combat the most significant health and economic crises in our state's history it is critical that we remain focussed on delivering our commitments to South Australians and developing a strong future for our state.

On our election in March 2018, we set out a Strong Plan for South Australia and Cabinet accepted collective responsibility for its delivery. I am pleased to advise that a substantial majority of our election commitments have already been delivered.

I very much appreciate the collegiate approach all my ministers have taken. Together, we have restored proper Cabinet government processes and established clear lines of accountability for the heads of government agencies to ensure Cabinet decisions and government services are delivered in a timely and efficient manner.

I reiterate the expectations I set out in my charter letter dated 23 March 2018 of high standards of ministerial accountability.

As Treasurer, I expect you to deliver on the following priorities:

- Effective management of government business in the Legislative Council
- Manage South Australia's economic and budget response to the Covid-19 pandemic
- Implementation of relief from taxes and charges for people who suffered loss in the bushfires and South Australians impacted by Covid-19
- Re-introduce legislation to extend the hours shops can trade in the Greater Adelaide Shopping District and Proclaimed Shopping Districts
- Implementation of land tax reforms
- Delivery of lower water costs for households and businesses
- Continue to oversee public sector employment negotiations, taking into account public expectations

In addition to the specific matters referred to above, you will have responsibility for the State Budget and maintaining a strong fiscal position, taking into account the impacts of Covid-19, as well as any other government commitments that fall within your portfolio. You will continue to play a key role in discussions and decisions in Cabinet and publicly on matters driving economic growth to improve the living standards of all South Australians.

Like all other ministers, you will have responsibility in your portfolio areas for the development of policies to take into a second term of government should we be re-elected at the 2022 election.

Serving our State as a member of Cabinet is both a privilege and a responsibility. I look forward to your continuing service as we build a better State and work to improve the lives all South Australians.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Steve Marshall', with a stylized flourish at the end.
