Dear Minister,

As we combat the most significant health and economic crises in our state's history it is critical that we remain focussed on delivering our commitments to South Australians and developing a strong future for our state.

On our election in March 2018, we set out a Strong Plan for South Australia and Cabinet accepted collective responsibility for its delivery. I am pleased to advise that a substantial majority of our election commitments have already been delivered.

I very much appreciate the collegiate approach all my ministers have taken. Together, we have restored proper Cabinet government processes and established clear lines of accountability for the heads of government agencies to ensure Cabinet decisions and government services are delivered in a timely and efficient manner.

I reiterate the expectations I set out in my charter letter dated 23 March 2018 of high standards of ministerial accountability.

As Minister for Transport and Infrastructure and Minister for Recreation, Sport and Racing, I expect you to deliver on the following priorities:

TRANSPORT AND INFRASTRUCTURE

- Driving the State Government's infrastructure stimulus program and ensuring on-time delivery of government capital projects as part of our record \$12.9 billion capital program
- Response to Infrastructure South Australia's 20-year strategy
- A decision on how the last section of the North-South corridor is to be delivered, including a stakeholder engagement program
- Completion of contracting of metropolitan train and tram services
- Complete trial of on-demand bus services and determine next steps
- Implementation of Growth State portfolio initiatives

RECREATION, SPORT AND RACING

- Roll-out the State Government's response to the Sports Infrastructure Plan
- Funding support for grass roots sport

In addition to the specific matters referred to above, I have given you general responsibility for progressing our State's transport and infrastructure requirements while you will continue to support recreational sport and racing activities in our communities.

Like all other ministers you will have responsibility in your portfolio areas for the development of policies to take into a second term of government, should we be re-elected at the 2022 election.

Serving our State as a member of Cabinet is both a privilege and a responsibility. I look forward to your continuing service as we build a better State and work to improve the lives all South Australians.

Yours sincerely,

Hon Steven Marshall MP
PREMIER OF SOUTH AUSTRALIA
