Parameters of the report

1. The report is a snapshot of the data recorded on BCIS as at 30 June 2016; it does not include boards which ceased operating prior to 30 June or member resignations that may have occurred prior to 30 June.
2. The report is tabled in Parliament on an annual basis within eight weeks of the end of the financial year, subject to Parliamentary sitting dates.
3. Accountability and responsibility for the accuracy of the information rests with each minister.
4. Fee information is provided in full, and includes
 - any annual, sessional or hourly amounts paid to members
 - the source of remuneration funding, and
 - an 'Additional Fee Information' field to provide additional information and fee explanations when necessary or relevant.

Explanatory notes on the data

1. Fee totals based on a sessional or hourly basis are an approximation only, due to the difficulty associated with recording member attendance at meetings and the variation in meeting duration.
2. Except in rare circumstances, deputy members' fees are not included in the total board fee calculations.
3. Fees disclosed in the 'Additional Fee Information' field at the bottom of board listings do not count toward the total cost estimate for the board or committee.
4. Generally, there are no separate listings of sub-committees, but any paid sub-committees are identified with reference to the 'Committees' field on the report of the parent entity and any remuneration paid to them is disclosed in the 'Additional Fee Information' section of the report.
5. Some boards and committees may appear with no membership, indicating that there were no members appointed on 30 June 2016.
6. Individuals' titles and post-nominals are not included in the report.
7. The gender composition of each board and each ministerial portfolio are reported.
8. This report includes the annual reporting requirements (where applicable) for individual boards and committees.
