South Australian Government Boards and Committees Information

As at 30 June 2021

Introduction

This is the 25th annual report to Parliament of consolidated South Australian Government board and committee information. The report sets out the membership and remuneration arrangements of 175 part-time government boards and committees as at 30 June 2021 in order of ministerial portfolio.

The information has been sourced from the Boards and Committees Information System (BCIS), a database administered by the Department of the Premier and Cabinet, following extensive consultation with all ministerial offices and stakeholder agencies.

Definition of boards and committees in the report

The boards and committees included in this report are those which are:

- established by or under an Act of Parliament of South Australia (generally excluding the *Local Government Act 1999*) and have a majority of members appointed by either a minister or the Governor, or
- established by a minister or legal instrument such as a constitution or charter, have a majority of members appointed by a minister, and have at least one member in receipt of remuneration.

The report should not be considered a complete listing of all government boards and committees.

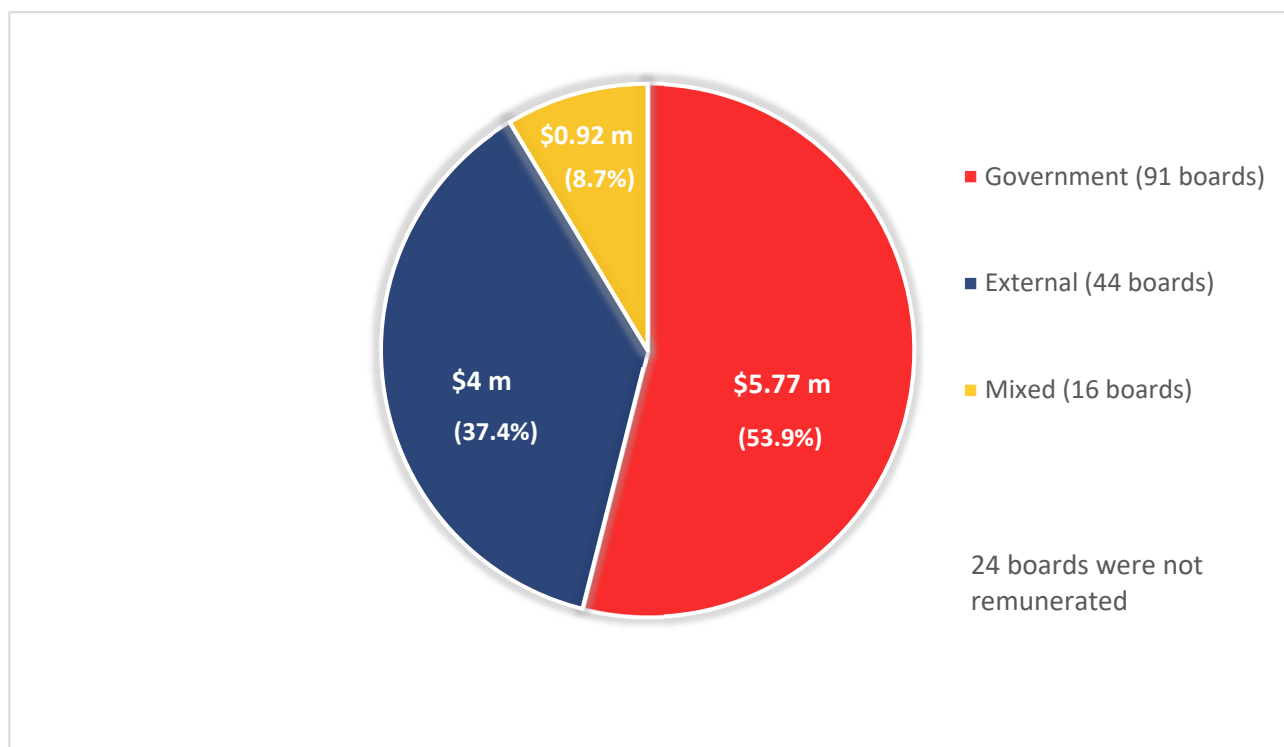

Highlights

170 board and committee positions (10.8%) were held by people who identified as Aboriginal or Torres Strait Islander.

Parameters of the report

1. The report is a snapshot of the data recorded on BCIS as at 30 June 2021. It does not include boards which ceased operating or member resignations prior to this date.
2. The report is tabled in Parliament on an annual basis within eight weeks of the end of the financial year, subject to Parliamentary sitting dates.
3. Accountability and responsibility for the accuracy of the information rests with each minister.
4. Fee information is provided in full, and includes:
 - any annual, sessional or hourly amounts paid to members
 - the source of remuneration funding, and
 - additional information and fee explanations when necessary.

Disclosure of inaccurate data in past reports

Reports published in 2018, 2019 and 2020 contain a minor error relating to the membership of the Port Adelaide Container Terminal Monitoring Panel. The reports show John Clifford Chapman (Government Employee) as a member. This should have read John Chapman (Private Citizen).

Reports published in 2019 and 2020 list David Cyril Gurry as a member of the Training Centre Review Board. Mr Gurry was not a member of the Board.
