

SA COVID-19 TRANSITION COMMITTEE

Meeting 85: 20 April 2021

Minutes

1. Welcome and apologies

- 1.1 Ms Leonie Muldoon was an apology. All remaining members present.
- 1.2 Dr Evan Everest, AC Noel Bamford, Dr Chris Lease and Ms Ingrid Norman attended as guests.
- 1.3 The Chair provided an update from the National Cabinet meeting last week in relation to vaccination rollout.

2. AHPPC Update

- 2.1 CPHO provided the Committee with an update on AHPPC discussions around vaccination.
- 2.2 CPHO noted the smooth operationalisation of the quarantine facility at Paringa for seasonal workers.
- 2.3 CPHO provided an update on recent positive cases in Vanuatu, noting it was unlikely to affect a scheduled incoming flight of workers. CPHO noted progress on development of a predeparture quarantine model with Vanuatu.
- 2.4 CPHO also provided an update on cases in Fiji.
- 2.5 The Committee noted continuing progress in the quarantine proposal for international students.

3. Cross Border travel update

- 3.1 SAPOL advised the Committee that Adelaide Airport are pleased with the timely movement of passengers through the terminal under current arrangements.

4. Economic update

- 4.1 CE DTF advised on the latest labour force data.

5. Public activities

- 5.1 The Committee discussed the request from Adelaide Oval to return to full capacity, and noted that as it is a COVID Management Plan it is an issue for SA Health to resolved directly with the Stadium Management Authority.

6. Any other business

- 6.1 The Secretariat advised the Committee that the release of all Committee documents under a Freedom of Information request was subject to an external review by the Ombudsman, and that the Department of the Premier and Cabinet would make a further submission.
