Foreword

The Government of South Australia is committed to building stronger and more vibrant multicultural communities to advance, to celebrate, to expand and to be stronger and safer together.

Our **Expand Together Grants** offers funding support to eligible multicultural organisations to help them purchase equipment and “building what matters” for the community including expanding facilities and upgrading existing infrastructure.

Our government recognises that community facilities and equipment play a vital role in providing space and resources for culturally and linguistically diverse communities to access services and promote the rich cultural diversity of South Australia in a way that is inclusive of the whole community.

We encourage eligible multicultural organisations to consider applying for funds through the **Expand Together Grants** to support their projects in 2021-22.

Hon Steven Marshall MP
Premier of South Australia

Hon Jing Lee MLC
Assistant Minister to the Premier

About Expand Together Grants

The **Expand Together Grants** are administered by Multicultural Affairs within the Department of the Premier and Cabinet (DPC).

The grants provide one-off funding to eligible multicultural organisations to upgrade, extend or build community facilities or purchase equipment for use by South Australia's culturally and linguistically diverse communities.

The **Expand Together Grants** aim to ensure there are necessary facilities and equipment for community members to come together, access the services and programs they need, and connect with the wider network of the local community.

There are two categories of grants under the **Expand Together Grants**. **Infrastructure Grants** of up to \$100,000 (One hundred thousand dollars only) and **Equipment Grants** of up to \$20,000 (Twenty thousand dollars only) are available to multicultural organisations for projects to be delivered over 12 months, commencing in September 2021. There are matched funding requirements for applicants requesting more than \$20,000.

Multicultural Affairs (DPC) will only accept one application per organisation for the **Expand Together Grants**. Organisations with regional offices can submit one application per regional office.

Key multicultural service providers, who have a direct responsibility working with culturally and linguistically diverse communities, can apply up to two times per round, as a lead agency in partnership with one or more multicultural community organisations.
